

This is the front of your rosette.
Cut out and glue this to the
front of your rosette.

This is the back of
your rosette. Cut out.
Thread a safety pin
through the two small
holes. Glue this to the
back of your rosette.

Cut along the solid lines. Fold along the dotted line, shape into a cone and glue.
Attach a long elastic string through the two holes to keep your party hat in place under your chin.
